**Garvin Ranch 265-SKB**

**\$755,250.00**

This exceptionally productive ranch has a stocking rate of about 90 pair. Sectioned into five pastures with new six-strand barbed wire cross-fencing, there are seven ponds for more than ample water for the livestock. The forage is primarily Bermuda Grass, Fescue, Lespedeza, Bahia, and native grasses. It also has electricity, a well, barn, small set of existing pens and the seller has a larger set of pipe working pens about 60 to 70% completed. Sited in the center of the ranch is a small cabin with septic, electricity and a well. the yard area is fenced off from the pasture. There is also a new fenced alley from the center of the ranch to the existing barn and smaller set of pens. About 90 % of the ranch can be baled for hay. The soils are well above average. Priced at just \$8392 per pair, this ranch is a real value compared to the competition. An additional 1285 acres may also be purchased: See the Garvin 1285 Ranch for details.
